EXPERIENCE:

Internship at Promeli Videoworks

6/3/2020→6/18/20 Graphic Design Intern at local media production company Promeli Videoworks. Supervised by Christtian Lomeli, I created graphics for the company website, as well as working at a promotional shoot for the city government of Menifee.

Job Shadow at Universal Studios Sign Shop

02/20 Shadowed Head of Universal Studios Sign Shop / Graphic Designer Blair Huizingh.

Job Shadow at Nickelodeon Studios Burbank

11/19 Shadowed Head Audio Engineer Larry Stephens and A-2 Billy Youdelman on a shoot for Nickelodeon's *Henry Danger*

Propmaker/stitcher at Nickelodeon

2016→ONGOING Over the years, I have made several props for television shows, including *iCarly*, *Sam and Cat*, *Henry Danger*, *Game Shakers*, and *Danger Force*. Most notable works (beyond drawings and sketches) include a 6-foot-tall ragdoll, a large scale hand puppet of a fish, and a robot in "Bot's Cafe" from *Sam and Cat*.

Maintenance Worker and Student Team Lead for the University of California, Santa Cruz

9/21→6/23 I provided manual labor as a student worker for UC, Santa Cruz, where I often worked overtime on top of my studies in order to help fund myself in college. In my second year, I was made team lead, where I managed a team of fellow student workers, making sure we provided the proper upkeep and maintenance; we ensured that the university stayed up and running.

HONORS, AWARDS, AND MEMBERSHIPS:

Irwin Grant Awards 10/22 & 2/23 I received two \$1000 grants from the Irwin Foundation to make sustainable sneakers and footwear from thrifted and recycled materials.

National Society of Collegiate Scholars 05/22 ONGOING
